

EMBC Facilitator List

The persons listed below are authorised by the EMBC to perform benchmarking workshops according to the EMBC standardised format which addresses the EN standard 15341 and the SMRP/EMBC harmonised KPI's. The workshop material which originally was produced in the English language has also been translated into other national languages according to the list. The list also gives the languages that each person supports.

For financial conditions please see EMBC Workshop Business terms.

Requirements to qualify for the list:

- Active partner in arranging and performing minimum 2 workshops led by an authorised facilitator.
- Familiar with and good understanding of the EN standard 15341.
- Familiar with and good understanding of the EN standard 13306.
- Nominated by her/his society
- Approved by the EMBC in a formal meeting.
