EUROMAINTENANCE 2023

The largest European maintenance congress will take place from 17 to 19 April 2023 in the brand new, state-of-the-art, Rotterdam Ahoy Convention Centre (RACC). Visitors will be treated to three full days of valuable presentations, workshops and demonstrations. At the same time the leading maintenance and technology exhibition in the Benelux - Maintenance NEXT - will be held in Rotterdam Ahoy. The combination of EuroMaintenance and Maintenance NEXT will make Rotterdam the most important meeting place for maintenance professionals.

Asset Management at its best will be the theme for this edition of EuroMaintenance. Business leaders will share their vision on developments and the future of the industry and best practices will be showcased. More than 40 workshops will focus on the main themes in asset management: Smart industry, Sustainability, Asset performance management, Human factor and Safety. In addition to the workshops, international top speakers take the stage to share their knowledge and inspire.

EuroMaintenance is organised by

NVDO – The Dutch Maintenance Society represent over 300,000 maintenance professionals.

EFNMS – The European Federation of National Maintenance Societies, its objectives are the improvement of maintenance for the benefit of the peoples of Europe.

Rotterdam Ahoy - A world-class venue offering infinite possibilities. Over 50 years of experience in hosting business events.

For more information or participation please contact +31 (0)10 293 30 41 or info@euromaintenance.net.

Maintenance NEXT 18 – 20 April 2023

Maintenance NEXT is the most important meeting place for maintenance professionals. During the exhibition, more than 250 national and international exhibitors will present the most important innovations in the field of (industrial) maintenance on the exhibition floor, which is visited by more than 11,000 visitors every two years. A visit to Maintenance NEXT is essential for anyone who is professionally involved in the maintenance industry.

Visit the website www.maintenancenext.com for additional information.
